Registration policy

1. Each paper to be included in the MDM 2011 proceedings (including regular, short, and poster research papers, industry papers, demo and workshop papers) must have at least one regular registration by its authors.
2. For an author with multiple papers, the discount rate is applicable as follows. The first paper needs to be registered with the full rate, while the subsequent papers in the same registration form will cost 100 € each. However, only one conference participant pack will be issued to the registered author.
3. Student registration without any presentation activity of 250 € DOES NOT include conference dinner and mid-night sun bus tour.
4. Authors must register before March 21, 2011 for their papers to be included in the conference proceedings.
5. The student registration rates are valid only for full-time students who can provide a letter confirming their student status from their supervisors.
6. Regular registration includes all sessions and activities, lunch (7-9 June), coffee breaks, one conference dinner/tour ticket, one mid-night sun bus tour ticket.
7. A limited number of tickets for conference dinner (150 €) and mid-night sun bus tour (80 €) are available for conference attendees' companions.

Note: For registration fees paid by credit cards, the actual charges depend on the exchange rates and possible processing fees charged by credit card companies.

Page Limits and Over Length Charges. The over-length charge must be paid at the time of registration.

Regular (Research)/Industrial Papers: Normal page-limit 10 pages in IEEE format including all figures, tables, and references.

Note: Up to 2 extra pages (over normal page limit of 10) are allowed and may be purchased at 50€/page.

No extra pages are allowed to the following categories of accepted papers

1. **Short Papers:** Normal page-limit 6 pages, including all figures, tables, and references.
2. **Poster Papers:** Normal page-limit 2 pages, including all figures, tables, and references.
