

IEEE MDM 2018: Call for Advanced Seminars

=====

19th IEEE International Conference on Mobile Data Management
25 - 28 June, 2018, Aalborg, Denmark
<http://mdmconferences.org/mdm2018/index.html>

=====

MDM 2018 invites submissions for Advanced Seminar (i.e., Tutorial) proposals on all topics listed in the Call for Papers of the conference.

Advanced Seminar proposals should be no more than **four pages** and strictly follow the **IEEE conference style templates**. Advanced Seminars are planned to take place in parallel with the rest of the tracks for the entire duration of the conference. The intended **length of the tutorial** (1.5 or 3 hours) should be explicitly indicated in the proposal, though depending on the results of the assessment of the proposal, the length is subject to modifications. Proposals should identify any other venues in which all or part of the seminar has been or will be presented, and explain how the seminar proposal for MDM 2018 differs.

The **logistics** of the Advanced Seminars will be handled by the MDM 2018 organization. Specifically, MDM 2018 will take care of facilities, catering, and the registration process pertinent to all hosted Advanced Seminars.

At least **one organizer** of an accepted Advanced Seminar is **required to attend** the conference to carry out the presentation.

Each accepted Advanced Seminar will receive **one complementary conference registration**.

Proposal **evaluation criteria** include the following: **relevance to MDM, scientific quality, perceived interest and overlap with other proposals**.

Submission Guidelines

=====

Proposals must include the following sections:

- Title and abstract.
- Introduction:
 - Scope, motivation, summary of seminar.
 - Proposed duration (1.5 hours or 3 hours).
 - If the organizers have had a similar seminar held in the past, a brief history-description.
- Description of target audience and relevance to MDM'18 research topics.
- Advanced Seminar outline (sections and an overview of their contents).
- Biographies of presenters.

Important Dates

=====

Submission of Proposals: March 4, 2018
Acceptance notification: March 30, 2018
Camera-Ready Deadline: April 27, 2018
Seminar: June 25-28, 2018

Please submit the Advanced Seminar proposals as a PDF attachment to the following email address: <mdm18seminars@gmail.com>
A confirmation message will be returned upon reception of the submission.

Advanced Seminars Co-Chairs
